## Binoculars

PRODUCT	ITEM#	RETAIL
---------	-------	--------

### Carson 3D Series with ED Glass

The TD-ED Series from Carson Optical is a Full-Sized 3D Binocular combining our HD optical coating technology with ED glass to give you the brightest, and clearest image possible. These Binoculars with ED Glass are ideal for use as Hunting Binoculars or Birding Binoculars. Rubberized armor coating makes this Full-Sized 3D Binocular rugged and shock proof. The body is nitrogen purged and O-ring sealed making them waterproof and fogproof. Extra long eye relief with twist down eyecups make this Full-Sized 3D ED Glass Binocular perfect for eyeglass wearers. The precisely placed thumb grooves, "just right" texturing and all-over lightweight body ergonomics make the 3D Series Binoculars perfect for long hunts or bird watching expeditions. They are also perfect for outdoor activities or sporting events.

Includes BinoArmor Deluxe carry case, neck strap, shoulder harness, and lens cloth
